

Become a Campground Host Volunteer

nswnationalparks.com.au

DO YOU LOVE THE OUTDOORS AND VOLUNTEERING?

The NSW National Parks Campground Host program is expanding to 12 campgrounds this summer. It's the perfect opportunity to enjoy a great outdoors experience and be a vital part of the campground community.

As a Campground Host, you'll be assisting NSW National Parks by providing essential information and advice to fellow campers, helping ensure they have the best camping experience possible.

Applications for the summer 2011/12 Campground Host program are now open. There's no fee to become a host and NSW National Parks provides the training and free campsite at participating parks. Hosts need to be 18 or over.

Apply online today- applications close Friday 28 October 2011.

Discover a new campground and become part of a great volunteer community with NSW National Parks!
